## Announcement about Company name change

We are excited to share important news regarding the evolution of our Company. We are delighted to announce that the name of our parent Company based in India, **Syndicate Printers Limited** has effective 19<sup>th</sup> September 2019, changed to **SIVA Inotec Limited** (commonly to be known as **SIVA**).

This name change allows us to give ourselves a new identity, in-line with the Company's move into Innovative & Technology driven activities.

The traditional business segments continue to be an integral part of the organization.

Our commitment to our customers and partners continues to remain our highest priority. As part of this exciting rebranding effort, we will be adopting new logos that better express our new identity.

Our email address & website will change to a new domain name. An auto-redirect will be applied by default to all email ID's and websites for redirecting to the new domain name.
